

Craters of the Moon National Monument & Preserve

Working with Idaho

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

7 national parks

530,977 visitors to national parks (in 2010)

\$17,952,000 economic benefit from national park tourism (in 2009)

1,016 National Register of Historic Places listings

\$14,143,740 of historic rehabilitation projects stimulated by tax incentives (since 1995)

9,511 hours donated by volunteers (in 2010)

11 National Natural Landmarks

\$38,699,925 in Land & Water Conservation Fund grants (since 1965)

2,915 federal acres transferred for local parks and recreation (since 1948)

\$18,717,254 in historic preservation grants
